Matter arising Ashley to put up details and a list of ladies available for the pool, any club requiring to use a lady from the pool should contact Ashley who will advise who is next on the list, there are no restrictions on the number of times someone can play.

Registration of players – This should now have been done in sportsganiser ready for the start of the season, if not at least prior to a match taking place. Please send in your 1st team nominations ASAP.

Please check your club details on sportsganiser to ensure they are complete and up to date.

Allerton are now playing at Bradford Girls Grammar Thursdays 7.00pm start with 2 courts available.

Brighouse Mondays 7.30pm

Crosshills 8.00pm but advised to arrive at 7.45pm

Provident 8.00pm Fridays anyone requiring a shower to take one before 9-45pm

Mike has resigned as match secretary for Belle Vue and Paul Davis has taken over.

Fixtures – A lot are outstanding but bearing in mind its our first season on sportsganiser, it was decided there is no deadline for arranging the fixtures as they are ongoing, a lot of matches have needed to be rearranged as some clubs were playing 2 or 3 time in the same week, after a lengthy discussion it was decided we might want to consider going back to the old fixture night meeting and the grid system, each club would enter their home fixtures into sportsganiser afterwards, the downside of this is 450 matches have to be entered manually, the other option is to ensure mixed and levels weeks are kept to, no more than 1 match per week, but this would still result in a lot of unarranged matches so it was decided we would discuss this at a later meeting.

Apologies were made to Eccleshill badminton club regarding their ladies not been promoted, this was rectified and they are now in division 1.

Baldon Bridge announced that they would unfortunately have to drop their 1st division mens due to loss of top players this season.
