

Dear parent / guardian,

On behalf of the Bradford Schools & the Bradford Kobras Performance Centre I would like to welcome your child after being successful in the annual Bradford Trials.

Who We Are?

We are the badminton performance centre of Bradford, we are accredited by Badminton England and have held the club mark standard for 6 years now. The current Head Coach is the Ex-England star Ed Foster. We also have working with us the current England star Fontaine Chapman. Ashley Reed is the Bradford Schools Manager and Yorkshire Under 15 Manager. There are also several localised coaches as Tom Millbank, Helen Wilson, Brian Fisher, Nigel Phillips & Sue Foster.

We hold several coaching sessions every week across Bradford – Leaflet attached – In the first instance you are automatically invited to Saturday mornings at Zara Centre, Belle Vue Girls School Thorn Lane BD9 6NA – 9am – 11am, cost is £6. If you are unable to make this then please let me know and we can source a different session that will suit your needs.

The Bradford Kobras Performance Centre provides opportunities for young people between the ages of 6 and 19 to receive coaching and competition. We have also developed our own award scheme to reward your child's progress. All coaches are qualified to Level 2 and are members of Badminton England's Coaches Register and have been CRB checked for their suitability for working with young people.

We welcome parents to all competitions and training sessions. We are keen to try and involve parents in the club and value your support. Below is some information about registration. Please bring this document to your first session.
