

Rule Proposal.

Non Attendance of Meetings.

The current rule says that a member of every club must attend every meeting.

Proposal is that every club should make every attempt to attend every meeting but in exceptional circumstances with League agreement a club can have a once a season waiver.

Reason

I have had several emails this season arguing about fines and that they can not attend meetings through:

- a) Club Night
- b) Match Night
- c) Family Issues
- d) Other Meeting etc....

I personally think it is unfair that some clubs attend all meetings regardless of size of club and other larger clubs want to excuse themselves. But I did say I would put it to a vote.
